THE WEST AGAINST THE EAST. former autagonism between the southto prove that all their woes are oceasioned by the same selfishness. The southern people contemplate this sectional strife with profound satisfaction When they were groaning under the Corn Promises Pretty Well, but Cetten oppressions of an iniquitous tariff, and implaining of the eastern fauntic

they found no sympathizing friends and they care nothing for the hate between the sections now only so far as their interests are involved. The ha-asked every man I have seen since I tred of the west is directed chiefly against Massachusetts. This old commonwealth is banged, buffeted and formers with all kicked by the western farmers with all two miles, and could not learn much in that vehemence which the southern that distance, but I have seen a few States, she claimed and exercised tent in the war of revolution, and in be pleasant. the formation of our federal institutions, which followed that great struggle. Under the articles of confederation but a limited power had been delegated Proposition for a New Corporation to is the great road of the future. The question again arises—what is to be to congress and navigation of the confederacy. It required a two-third vot to establish any change in existing regand this was sure to be defeated by the delegates from the southfederal constitution in reference to commerce. In other words, the State of Massachusetts, in order to secure to herself legislative control in regulating commerce, was willing to continue the foreign slave-trade for a number of years, and to add to the African population in this country, at least five hundred thousand. It is thus apparent that the peculiar interests of the Old. that the peculiar interests of the Old Ray State, up to the period of the adoption of the constitution, prevailed stead of transferring it to parties hostile

Selma road people will so view it. If the should see that comparatively untriversely the should come to this garden of the world to the stead of transferring it to parties hostile

THIS CITY OF NEW ORLEANS the country. Indeed, a careful re. will, in a short time, have the narrowthe country. Indeed, a careful review of the revolutionary epoch will clearly show, that in the affairs of the subscription valuable instead of valuecolonies, the confederation, and of the Union, the policy of New England prevailed over all opposition; and it will be equally apparent that in the conflict which secured their triumphs, there was ngendere i a deep antagonism between them and the southern States. As soon as General Washington's presidency had terminated, the great representative men of past conflicts were presented to the people for election to the chief magistracy. Massachusetts and New England placed Mr. Adams in nomination, and not only claimed for him the support of the people, but flercely denounced Mr. Jefferson, his Democratic opponent, as

the heart and soul of the republic; that her enterprise was its locomotive power: that her capital was its only wealth; that her shipping was its commerce; that her morals was its religion; that her intellect was its only guide to safety and triumph, and just in proportion as the exalted her own position, she was is posed to degrade that of the south. Those who are familiar with the great and Rev. W. V. Eldridge at night. conflict between Adams and Jefferson, after General Washington retired from sion has been generally good, impressive, comes to burn my house, I shoot him. the presidency, will readily see how and we hope profitable deep was the grif between New England and the south, and how bifterly the latter was revited and traduced by the former. Mr. Adams was elected—Massachusetts continued to triumph. It was this capidity and greediness on the part of Massachus (Massachus and greediness on the part of the church in men of the white race of Louisiana, which the sufficient to supply all demands and greed in the spring of 1874. We are in receipt of the following two of coal this spring of 1874. We are in receipt of the following two of coal this spring of 1874. We are in receipt of the following two of coal this spring and the sufficient to supply all demands and greed in the part of the sufficient to supply all demands and greed in the winter sets in, when we had the south in the winter sets in, when we had the south in the winter sets in, when we had the south in the winter sets in, when we had the south in the winter sets in, when we had the south in the winter sets in, when we had sachusetts in crushing the south, and now that the devouring menster has turned upon the west, the southern peo-

SENATOR CARPENTER'S SPECU AT NEW ORLEANS.

So significant do we deem Senator Carpenter's speech, transmitted to as by telegraph, and pronounced before the people of Louisiana at New Orleans, that we give it entire. The senator is not without great influence in the party he represents, in the senate of which he is a most eloquent member, and in the northwest, where he has long been regarded among lawyers a peerless advocate. The speech of such a man, as summer and adviser of the provided to determine the senator of the northwest, where he has long been regarded among lawyers a peerless advocate. The speech of such a man, as summer and adviser of the provided to determine the northwest, where he has long been regarded among lawyers a peerless advocate. The speech of such a man, as summer and adviser of the provided to delivered on such a man, as summer and adviser of the provided to determine the northwest of the provided to determine the provided to the provide staunch adherent and adviser of the president, delivered on such an occasion and in the midsl of events involving the very political existence of a State once rich and powerful, and of supposed indestructible identity—such a indestructible identity—such a sound indemness on ecclesiastical law, and independent and adviser of the questions propounded by individuals, church sessions, presbyteries, etc., has virtually repealed the action of this body had at Murfreesboro in 1889, and all subsequent assemblies, and opens the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, and he will give it his entire head. There is not a man here but the questions propounded by individuals, church sessions, presbyteries, etc., has virtually repealed the action of this body had at Murfreesboro in 1889, and all subsequent assemblies, and opens the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, with the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, with the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, with the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, with the floodgates to all who may fail to read and inform themselves, and to form sound judgments on ecclesiastical law, with the floodgates to all who may fail to read and inform themselves, and to form sound in the midst of them under the present system of labor. If you do this the country becomes thrifty. Farmers, I don't know a man in the north who owns a thousand acres. Each man has a small farm, and he will give it his entire head. There is not a man here but them under the present the questions propounded by individuals. Sound is a substance of the propounded by individuals and the propounded by individuals. Sound is a substance of the propounded by

people may give tongue to joy, and conratulate themselves on their escape from the clutches of Brooks. Profound THURSDAY MORNING MAY 22, 1873 by grateful are the people, and Arkansas ive to people of all the States. A beneficent government, as it now exists, a When slavery was abolished national faultless climate, exuberant soil, and a patriots were inspired with the hope that there would never be another war that there would never be another war legislation to perfect it—all these incibetween the different sections of the Union. But the hatred between the west and the east reminds one of the that the desperate politicians of the State will now suffer the people, through ern and eastern States. The southern the next two years, to have peace? If people believed and showed by facts, federal or other soldiers had hanged the and fanaticism of the eastern States that precipitated the war upon the country, and the western States are laboring to prove that all their woes are ocea-

THE CROPS.

Poorly Enough.

HUMBOLDT, TENN., May 20, 1873 .-

yesterday, headed "Fate of the Selma Road," fills me with profound regret and sition to Massachusetts, and what was of the road propose to sell it to any party then termed the "New England policy."

who will buy it, no matter whether that for ourselves; and, gentlemen, when give them one. Massachusetts was more largely intersted in commerce than any other of the States, and hence it became an object of primary interest to effect a change of the organic law, so that a majority who will buy it, no matter whether that price whether the great war came the west was moved amongst other considerations to the friendship to be frank, and I propose the mongst other considerations to the friendship to be frank, and I propose the great war came the west was moved amongst other considerations to the friendship to be frank, and I propose the mongst other considerations to the friendship to be frank, and they were will-be amongst other considerations to the friendship to be frank, and they were will-be amongst other considerations to the great war came the west was moved amongst other considerations to the great war came the west was moved amongst other considerations to friendship to yote. Well, if they are from cause, a government will be furnished which will allow them to vote; and, gentlemen, when part of the great war came the west was moved amongst other considerations to friendship to yote. Well, if they are from cause, a government will be furnished which will allow the propose that the great war came the west was moved amongst other considerations to find the great war came the west was moved amongst other considerations. should be able to control the subject. To accomplish this end, she leagued with the extreme slave States of the south to postpone the prohibition of the foreign slave trade to 1808, in consideration whereof, several southern delegates consented to adopt the provision of the towns of the south of the counties of Shelby and Marshall. If so, then these two counties are equitably the largest proprietors of that work. Under that supposition, it occurs to the difficulty is to have a settlement, be finds all the energies of man consented to adopt the provision of the counties of Shelby and Marshall. If so, then these two counties are equitably the largest proprietors of that work. Under that supposition, it occurs to this metropolis of the south, be finds all the energies of man checked. What is the cause of the Selma Marion and Memphis ralk.

> ss. This I propose as a frank, fair lasis of compromise.
